

MANOJ KUMAR V

Mobile No. +91 9345991365

E-mail: jejammech1997@gmail.com

CAREER OBJECTIVE:

To Secure a job as a dedicated and proactive entry-level professional, utilizing my academic background and passion for technology to drive innovation and efficiency, while fostering strong collaborative relationships within the team to support the company's global mission and growth.

TECHNICAL SKILLS:

Programming Languages: Python

Libraries/Framework: NumPy, Pandas, Seaborn, Scikit-learn

Technology: Machine Learning

Web Technologies: HTML, CSS

ACADEMIC PROJECT:

Project Title: AI-Powered Diet & Workout Recommendation System

Final Year Project

N.M.S.S.V.N. College, [April, 2025]

Description:

Developed a personalized fitness and wellness platform using Machine Learning. The core of the project lies in the Diet and Workout Recommendation Page, Where Machine Learning algorithm analyze user data to generate tailored diet plan and workout routines. Integrated a chatbot to collect user input and offer initial guidance. Included a Workout Tutorial Page with videos and guides to ensure safe and effective training. Created an About Page to explain the platform's mission and technical foundation.
